Wichita Falls, Aug. 4.—Sunday went down as a memorial day at the Anderson Chapel A. M. E. church, that being the last services to be held in the old building, it having been sold, and to be replaced by a \$12,000 brick. A record breaking attendance was at Sunday School, and at night the house was filled to its seating capacity to hear the last sermon of the pastor, Rev. Bonner, in the old building. He chose for his discourse a portion of the Scripture bearing on the exodus of the Israelites from the Egyptian valley to the land of Canaan, which was very appropriate, well directed, and intensely enjoyed. Notwithstanding it is to be replaced by a modern brick, some of the old "Vets" stated with tears in their eyes, that they loved to see the old "sanctuary" moved. The Dallas Express bespeaks for these good people crowned with success, in their church building undertakings. Knowing them to be one denomination who's doors stands open to all, with no 3rd degree test to any Christian. Their slogan is "God our Father, and our brother." If you are a Christian come and sit with us; if you are not a Christian come to our Sunday School seven Sundays, and you will be a Christian. Now let's be reasonable brother—Colored business man and remember that everything is on the downward trend, we don't ask that you be "the first new to try, but the last to lay the old aside," but we do expect you to join the procession some where between these extremes. Only Monday of this week a white Cleaning and Pressing Shop reduced their prices from \$1.75 to \$1.00 for cleaning and pressing. Remember that this is truly a competitive age in which we now live. (More anon if required). Mrs. McFarland Griffin left Saturday night for Bonham, Texas to spend a fortnight with her mother and other relatives. Rev. J. P. McLenon and a goodly number of his members of the Mt. Pleasant Baptist Church, returned Monday from Vernon, where they spent the week attending their association. Dr. H. H. Means, who's native rendezvous is in the Panther city (Port Worth) has opened one of the finest dental parlors in the South, in the Smith building on Lake Street. We hope to see our people give all their work to this deserving young man. Dr. Means is the son of Mr. H. D. Means, who owns one of the best barber shops in Port Worth for white trade, and who is also prominent in fraternal, social and church work in that city. Dr. Means is a young man of rare accomplishments in the dental world; having finished with honors from the department of dentistry at McHarris in the class of '21. He is truly an asset to the Negro race, and the citizens of Wichita Falls owe it to him to see that he succeeds. Here's hoping Mr. and Mrs. J. E. Brown of 367 Brick Street, accompanied by Mrs. W. D. Douglas, Mrs. Charlie Craft and grandson Buford, returned to Vernon Sunday to witness the closing of the Baptist association. Mr. W. E. Griffin has charge of the steering wheel, which was a demonstration of Mr. Brown's precautionary slogan "safety first." They all report an enjoyable time both while motoring and in attendance at the meeting. "It is certainly a strike in the dark, and that too, from ambush, when members of a fraternal organization seek to appease their personal enmity by rejecting one from their ranks. Especially when that one is 100 per cent admissible when viewed from any and all angles, saving that I do debate unmanly and unwomanly. I just don't like him or her." We should not allow our petty differences to predominate in us to the extent that we will reject one from becoming one of us solely because that one stands head and shoulders above us in those things which makes for the enhancement of the race. Read the Express and be good. Next week we will have an article on the "West Texas Bottling Works." Don't fail to read it.
